**SUBJECT: Environmental Monitoring Report, NW Natural Gasco Facility, 7900 NW  
St. Helens Road, Portland, Oregon**

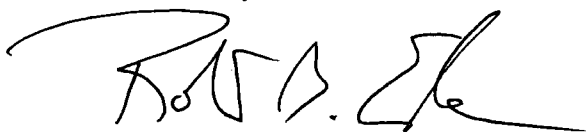

Dear Mr. Bayuk:

Enclosed please find three copies (bound and CD) of the *Environmental Monitoring Report, Third and Fourth Quarter 2010*, dated March 5, 2012 documenting routine environmental monitoring activities that were completed by NW Natural at the Gasco Site (NW Natural and Siltronic properties) during the referenced time-frame. This report was delayed in part due to the time necessary for receipt of full laboratory deliverables and subsequent validation. New procedures have been emplaced and we are now in the process of preparing the 2011 Environmental Monitoring Reports and expect those to be available in the near future.

A CD containing the full document as well as groundwater quality database files is included on the inside cover of each report.

Should you have any questions, please contact the undersigned.

Sincerely,

Rob Ede, R.G.  
Principal
